Premium Full Color Table Covers & Throws, 8 ft x 2.5 ft

3 sided, open back

One file.

Final size: 157.48 x 61.81 in (13.12 x 5.15 ft). Scale 1:1, this page is full size.

- Design at this exact size, no bleed needed.
- CMYK, at least 150 dpi at full size.
- Keep text and logos inside the safe zone (green dashed line).
- Each green box is one face of the table (front, left, right, top). Logos and text inside a box show on that face.
- 3 sided means the back is open: there is no back panel.
- This is the cover laid flat, seen from above, with the front at the bottom of the page. Each drop hangs from its table edge, so set your art the same way up as that panel's gray label: the ends are turned on their side.
- Hide or delete this guide layer (this box and every line) before you export.
- Send a flattened single page PDF or JPG to info@promomogul.com, or reply to your order receipt.
